## ***Welcome Memo***

Hello all, we hope you had an enjoyable

summer! These past few months we've been preparing for all the new Medicare Annual Election plan choices. We've done our best to prepare for the "crazy busy season". Also over the summer, we reviewed Medicare Supplement policies for many clients. The idea was to reach out prior to busy season in an effort to help alleviate the volume of incoming calls we receive during that time. While we'll always assist callers with any needs they have, our focus from October 15th—December 7th, is Prescription and Advantage Plan reviews.

**PLEASE NOTE—WE HAVE A NEW DEADLINE FOR REVIEW REQUESTS!** Due to the thousands of complimentary reviews we perform, we must ask that you submit your request by **FRIDAY, OCTOBER 26TH!** We work on a first come, first served basis and your review request is placed on a call list in *date order*.

**REMINDER—It could take a few weeks until you are contacted!** Each client who submitted a review request will have been reached out to by December 1st. **Thank you kindly in advance for all your patience!** We truly value each of you and strive to do our very best to make sure all your needs are met. Lastly, all of us here at Young's Insurance Services, Inc. wish you a wonderful set of upcoming holidays! Stay active, stay healthy and stay "YOUNG"!

## ***What's New***

### **The temporary layout of this Newsletter!**

In order for us to perform a proper, annual Medicare coverage review, we've condensed topics in this issue. That allows us the spacing needed for the instructions of our annual Yellow Review Sheet found on page 2, and provide a list of important dates to remember on page 3. Enjoy this abridged issue!

## ***Take A Look***

Beginning in 2019, the Medicare Part D donut hole is closing. This is a year earlier than planned. This means that starting in January, enrollees will pay 25 percent of the cost of all their prescription drugs from the time they enter the gap until they reach catastrophic coverage.

## ***Announcements***

A Happy Birthday to a few agents and staff in our office; Mike Mizas 9/3, Danielle Del Conte 10/2, Tim Young 10/11, Nick Young 10/13, Amber Haring 10/20, Charlie Brady 11/18!

\* **Big Boy / Grandbaby Update**—Our youngest

son Jake (9) is in 4rd grade now. He had a wonderful summer swimming, experienced a Disney cruise, played golf and went horseback riding. Now, he's busy with schoolwork and playing flag football! Our granddaughter Elena (2½) repeats many words and is working on potty training. She also had an amazing time on the Disney cruise. Over the summer she tried toddler gymnastics and may also try dancing soon.

## Medicare Part D Prescription *and* Medicare Advantage Yellow Annual Review Sheet—Important Instructions!

### PLEASE READ

We are an Insurance Brokerage Agency offering an optional, complimentary review service to our clients and are NOT affiliated with any government agency. While you certainly do not have to use our service, we *strongly* recommend that your coverage be reviewed each year either by visiting Medicare.gov yourself, or by contacting Medicare directly at 1-800-MEDICARE for assistance.

Drug plans, premiums, co-pays and formularies change each year from company to company!  
*Due to this fact, reviews are needed—even if you just signed up recently!*

If you would like our assistance, please read the instructions below and fill out all applicable portions of the enclosed Yellow Sheet. The information will then be entered in Medicare's website.

*\*Please keep in mind that our suggestions are based upon plan details which are available to us on Medicare's website—and your current prescriptions during the time of the review.*

*We would like to take a moment to point out that your prescription needs may change throughout the year as can the information on Medicare's site which can be updated. This could potentially effect your plan selection and costs for the year.*

To speed up the process, visit [yisonline.com/pdp-review.html](http://yisonline.com/pdp-review.html) and submit your review sheet ONLINE! After submission you will see a confirmation page.

We will contact you by December 1st with the results.  
**We will not accept any review sheets after October 26th.**

### **Yellow Sheet Instructions:**

- \* Space is provided for two individuals living at the same address. For extra sheets, contact us or visit our website.
- \* EVERYONE needs to fill out Section 1 and 2!!!
- \* If you have a Medicare Advantage Plan (HMO, PPO, MSA) then you **also** need to fill out Section 3.
- \* Section 4 provides space for optional notes if needed. Anyone may use this section. You may use this space to write a note to your agent, add additional prescriptions, make special requests, or if you have a Medicare Advantage plan, use it to list additional hospitals, etc.

### **Instructions for the Prescription portion:**

- \* Include all PRESCRIPTIONS and use drug name as it appears on label. Do NOT include over the counter medications.
- \* EXACT spelling needed! Be sure to include XL, CR, XR, HCL, etc. (This should mirror your prescription label)
- \* Place an 'X' in the designated column if brand name is necessary and you cannot switch to a generic.
- \* Include dose or strength of medication.
- \* "Quantity" is the amount of medicine you receive each refill— 30 tabs, 1 tube, 4 vials, 2 pens, 1 bottle.
- \* For frequency, "AS NEEDED" CAN NOT BE ACCEPTED (please estimate)
